

October 19, 2012

Dear Parents,

Team 6D is excited to announce something that has been in the works for a while... We're going on a field trip! This is not just any field trip, either! We have been given the opportunity to go to Rock Eagle in Eatonton, GA and SPEND THE NIGHT! The dates for the trip are May 1-May 2, 2013. Rock Eagle offers several different classes that align to the Common Core and our students will get to experience something like they have never experienced before. Students will stay in cabins and have a "camp" style experience.

The cost of the field trip is \$95. This includes transportation, accommodations for the evening, four meals (lunch and dinner on the first day, breakfast and lunch on the second), a commemorative t-shirt, and an incredible experience full of classes led by both the Rock Eagle staff and RMS teachers. In order to make this sum manageable, please see the payment plan on the next page. RMS accepts cash or check payments made out to RMS.

Students with disciplinary concerns may not be allowed to participate in the field trip and will be given an alternate assignment to complete in place of the field trip. Teachers and administrators reserve the right to hold students back from the trip based on behavior. We do not anticipate needing to exercise the right to hold back students due to behavior, however if this becomes necessary please understand the cost of the trip is nonrefundable. The cost of the trip is based on the number of students attending, and RMS is responsible for paying for the complete reservation. If a student is unable to attend due to illness, a partial refund may be available, but there is no guarantee.

We are looking for chaperones - especially MALES for the boys cabins. Please note that chaperone spaces are limited and require the chaperone to pay the same fees as the student. Please indicate your interest on the permission slip on the following page and return it to Ms. Shaver as soon as possible. Thank you for your support in our continued effort to provide the gifted and accelerated students of RMS with outstanding opportunities in **P**roblem-solving, **R**esearching, **O**bserving, **B**rainstorming, and **E**valuating.

Sincerely,

Ashley Shaver, Science Teacher

Permission Slip to attend Rock Eagle Overnight Fieldtrip

I, _____ (parent name) have read the attached letter, agree to the terms, and give permission for my child _____ (student) to attend the 6th grade gifted/accelerated field trip to Rock Eagle on May 1-2, 2013. I understand that my student will be riding a school bus to and from Rock Eagle in Eatonton, GA on these days and that four (4) meals will be provided.

Student Name: _____

Parent Name: _____

Parent Signature: _____ Date: _____
